Donate Blood Aug. 30

Information Technology Services (ITS) will host a blood drive from 10:30 a.m. to 2 p.m. Tuesday, Aug. 30, on Mott Lawn. Every two seconds, someone in the U.S. needs a life-saving blood transfusion. Each donation may save as many as three lives. With donation restrictions placed on travelers to Central and South America due to the Zika virus, there could be a shortage soon. To make an appointment, email Mary Padilla at mpadilla@calpoly.edu or join the ITS team on Mott Lawn. A snack will be provided. Donors will be entered in a raffle. Blood donations can be made every 56 days; regular donors should make sure their next donation is scheduled before July 6 to participate in the campus event.
